Railcare builds generator wagons for Infranord

Railcare has received an order to build a new generation of generator wagons for the railway contracting company Infranord. The order value amounts to approximately MSEK 30 and consists of 5 wagons, designed together with Infranord.

"We are excited about this collaboration with Infranord, they have the confidence in Railcare to build generator wagons that meet Infranord's high standards of adaptation for today's working environment," says Daniel Öholm, CEO Railcare Group AB. "The delivery of the wagons will begin in autumn 2019, with final delivery in 2020. The order will be reported in our Machine Sales segment."

The generator wagons will be built and tested in Railcare's workshop in Skelleftehamn.
